Student Body Passes Important Amendment

An amendment to the Student constitution, which allows students to become life members of the Alumni Association upon graduation, was passed by a majority vote in the campus elections on April 26.

By unanimous vote the Student Council had previously approved Secretary Joe W. Webb's recommendation that the amendment be placed on the ballot.

Webb stated, "This move on the part of the Student Council and student body should serve as an incentive for members of the faculty and other Alumni of NSC who are not life members to send in their \$5 life membership fee. Upon receipt of \$5, we will send you a Life Membership Certificate. We urge you to give this matter serious consideration and join our association in order that we may do bigger and better things for NSC."

The amendment follows:

AMENDMENT

(1) Each Student enrolled in the College shall pay to the Alumni Association 50 cents per semester and 25 cents per summer term. These payments shall be made at the time of registration, and shall be included in the registration fee.

(2) Effective with the 1960 Fall semester, each student who graduates from the College shall pay \$1 to the Alumni Association at the time he pays diploma fee.

(3) Each member of the graduating class of 1964 spring semester and each member of all subsequent graduating classes shall be entitled to all rights and privileges pertaining thereto.

WHERE ARE THEY?

W. Zachary.

Returning Students Note Improvements

Students arriving at Northwestern State College for the 77th fall semester found many changes and improvements awaiting them.

The most marked changes were construction of a new women's dormitory and the conversion of the old laundry building into a new men's dormitory.

A new laundry is now open and in operation. Other improvements include air-conditioning and remodeling of the Student Center Cafe.

Not quite as obvious to the eye, but equally important, was a significant re-equipment of the college power plant. A new diesel engine has been installed which will drive a generator to produce more than one-half of the normal requirements of the campus. This together with the installation of new electric switchgear meet a

Remodeling Done On Alumni Office

The Northwestern State College Alumni Association and Student Placement Offices got a face-lifting this summer when the entire office was remodeled.

In the remodeling process, Secretary Joe W. Webb's office was enclosed, an interviewing room and a browsing area were added, and the working area for student helpers was changed.

The office was painted and new furniture was added according to an attractive color scheme.

great need, and the whole is regarded as a major accomplishment. More than \$200,000 is involved.

With the largest enrollment in college history, and with yet more students in the years ahead, even greater facilities will be necessary and efforts to secure these are continuing.

Preparations Get Underway For 1960 NSC Homecoming

Members of the Homecoming Committee met in the Alumni Office, Tuesday, Sept. 20, to map out plans for the 1960 Homecoming, which has been set for Nov. 12.

Secretary Joe W. Webb presided over the meeting, which was attended by members of the general committee, composed of representatives from the student body, faculty, and staff. The meeting was also attended by Alumni President R. J. Stoker.

Program for the day was discussed and tentatively outlined by the committee and sub-committees were established.

The 1960 Homecoming will feature more student participation than in past years, and student groups will be named to direct various activities.

As usual, Homecoming will offer a full slate of activities for graduates and former students who return to the campus. The tentative program is as follows: coffee and registration, Varnado Hall, 9 to 10:30 a.m.; Homecom-

Amendment Passes; Put Into Practice

An amendment to the NSC Student Constitution was added in the Spring of 1960, enabling students to become life members of the Alumni Association upon graduation.

The amendment, suggested by Secretary Joe W. Webb, provides that students pay to the Association 50 cents per regular semester and 25 cents per summer semester.

Effective with the 1960 Fall semester, graduates pay \$1 to the Association. Members of the graduating class of 1964 and all subsequent classes will receive life memberships.

The amendment was added as an incentive for students to join the Association and for faculty and other Alumni to become life members.

Demons Open Grid Season With 14-0 Victory Over SFA

Northwestern State College's Demons opened the 1960 football campaign on September 17 by blanking the Stephen F. Austin Lumberjacks, 14-0, in Shreveport's State Fair Stadium. A crowd of 7,133 turned out for the Demon debut, which saw Coach Jack Clayton's spirited squad start the campaign in winning fashion.

Last year, NSC opened against SFA and had to settle for a 14-14 deadlock. The Demons then went on to finish the 1959 season with a disappointing 4-5-1 record.

The same foes face Northwestern this year, and already the Demons have improved on last year's campaign. The nine-game schedule finds the Colorado School of Mines Orediggers, a 37-0 victim of NSC last season, the only team missing from the current slate.

Following the opener against SFA, the Demons play two straight home games against Lamar Tech and then Louisiana College. NSC will be seeking revenge in both those outings, having fallen to Lamar, 19-0, and to Louisiana College, 8-0, on foreign soil last season.

On October 8, the Demons travel to Monroe to meet Northeast State in the Indians' Homecoming tilt. The 2 p.m. contest is one of two afternoon games to be played by the Demons this year. All other contests begin at 8 p.m.

Following an open date on October 15, the Demons open the

Louisiana State Fair on October 22 with their annual tussle against Louisiana Tech in Shreveport. Then follows the longest road trip for the squad in several years, an October 29 date with Pensacola Navy in Pensacola, Florida.

Three straight conference games round out the regular and Gulf States circuit season. On November 5, the Demons travel to Lake Charles to take on McNeese State; on November 12, NSC celebrates Homecoming with a 2 p.m. tilt against the University of Southwestern Louisiana; and on November 19, the Demons host South-eastern Louisiana College in the finale.

The 1960 Demons are characterized by youth with a predominance of freshmen and sophomores on the roster. The finest spirit in many years, however, pervades the Demon squad and promises plenty of excitement for Demon fans this season.

In the season opener, NSC struck for two second-half touchdowns after a somewhat shaky offensive start. The defensive efforts were outstanding throughout. A 50-yard return of a pass interception by J. M. Maricelli and a two-yard plunge by Ralph Conrad brought the Demon touchdowns. Conrad's plunge climaxed a 73-yard drive. Nick Norcia booted both extra points.

Returning to the Demon backfield are lettermen Conrad, Maricelli, Jimmy Aldredge, Don Deen,

Bacteriology Dept. Established At NSC

President John S. Kyser recently announced the founding of the Department of Bacteriology at Northwestern State College.

In his appeal to the State Board of Education, the president stressed the point that, beyond the general justification of an ever-expanding field, there was outstanding justification for this new department because of its specialized services to the cattle industry, and of the national recognition accorded Dr. Rene Bienvenu, the head of the new department, for his work in brucellosis.

BIRTHS

In May, too late for the last issue of the *COLUMNS*, we received a note from Mrs. "Bo" Russell, of 157 Petticoat Lane, Lake Charles (Agnes Smith, '13), announcing the birth of a daughter, Paula Faith, on Nov. 19, 1959.

Mr. and Mrs. L. C. Lutz (Doris Bolin, '54), 425 Rosedale Ave., Port Allen, announce the arrival of "Chip," weighing 8 lbs., 8 ozs., on April 25. (His real name is Laurent Charles.)

Cheryl Lynne Coutee arrived May 13, weighing 8 lbs., 3 ozs., in time to see both of her parents receive degrees at the spring commencement. Her father, Ellis, received a BS in accounting, and her mother, Juanita (Martinez), a Master's in mathematics.

It's a girl also for the Charles Savas. Donna Francine arrived Aug. 25, weighing 5 lbs., 12 ozs. Charles and Lois (Crnkovic) both received degrees in May. The couple now resides in Shreveport, where Charles is teaching English in the new Woodlawn High School.

Doris and Philip Wilcox (both '57 graduates) announce the arrival of Sharon Frances on June 12, weighing 6 lbs., 12 ozs. She has a 2-year-old brother, Scott, and they are now living at 106 Greenaway Rd., Rochester 10, N. Y. Philip is associated with Commercial Controls Co.

Mr. and Mrs. W. E. Dowden, 208 Wilson, Lake Charles, announce the birth of their first child, Phyllis Annette, on June 20, weighing 8 lbs. Mr. Dowden is a former NSC student, and Mrs. Dowden is the former Dorothy Gandy, '57.

Mr. and Mrs. Rade Radasinovich announce the birth of their first son, Daniel II, on July 20, weighing 8 lbs., 6½ ozs. Rade received the BA degree in '58 and is presently working on the Master's. Mrs. Radasinovich (Janet Buckley) is secretary in the News Bureau offices.

Mr. and Mrs. Jack Lambert (Linda Chaney, Nursing '60) announce the arrival of a daughter, Leslie Jo, on August 4, weighing 7 lbs., 11½ ozs. Mr. Lambert is attending the University of Arkansas. Their address is Apt. Y-103, Carlson Terraces, University of Arkansas, Fayetteville.

Mr. and Mrs. John Feazel (Imogene Roller '57) of Rosepine announce the arrival of Cynthia Jean, born August 20.

George E. Morrison, '58, 212 E. 66th St., Shreveport, dropped by the Alumni Office to tell us that Dana Marie arrived June 6.

NSC Graduate Nurse Selected for HOPE

Mavis Pate, a 1952 graduate of NSC, was one of the first of 16 nurses selected as members of the medical staff of Project HOPE—a modern hospital ship equipped as a medical training center to Southeast Asia.

Miss Pate, a graduate of the School of Nursing, is one of more than 1,500 physicians, nurses, and medical technicians who have volunteered for Project HOPE.

A native of Ringgold, she is the daughter of Mrs. J. H. Oden and the late J. B. Pate.

The 230-bed ship, the SS. HOPE, left for Indonesia and Viet Nam this summer. The program is a non-government project that depends on contributions from the American public, industry, business, and labor needed to operate the ship for a year.

Plans Being Made For New Entrance

Plans are now being submitted for an anticipated new entrance to Northwestern State College. O. J. Hanchey, associate professor and head of the Art Department, and Mrs. John S. Kyser have made sketches that are to be submitted to an architect.

R. J. Stoker, principal of Pleasant Hill High School and president of the Alumni Association, made the original suggestion for a new entrance.

The new structure, when completed, will attract attention to the campus from passers-by and will present a more pleasing impression than the present entrance.

Secretary J. W. Webb said that some of the money to be supplied by the newly-passed amendment to the student constitution would possibly be used for this project.

A L U M N I H E R E N ' T H E R E

Mr. Wayne Givens, a '38 graduate, of 363 Ockley Drive, Shreveport, visited the campus recently and while here enrolled his daughter, Carol Anne.

Carson Nealy, BS '60, has received a \$3,000 Nuclear Science fellowship for research in nuclear chemistry. He will attend Florida State University for two years.

William R. LaCour of Alexandria received his Master of Science degree from NSC in Mathematics in the spring of '60. LaCour has accepted a position as mathematician with the U. S. Department of Agriculture in Dallas.

G. Kenneth Mott, who received his BA in '49 and MA in '59 from NSC, joined the Louisiana College faculty in Pineville in September.

Doyle Zane Williams of Ajax was the highest honor graduate of NSC for the Summer 1960 session. He has accepted a position with Haskins and Sells, CPA firm in New Orleans.

John Wanzer Drane has recently been appointed associate professor of mathematics at Randolph-Macon College. He received his BS degree from NSC in '55.

Mrs. Ryan Chaudoir, formerly Mary Lyle Hyde, BA '57, assumed her duties as assistant librarian at Louisiana College this fall.

Mrs. W. T. Skeels (nee Frankie Barron), who received her MS degree from NSC in summer, '58, will serve as an instructor of Home Economics at Louisiana College this fall.

Bill G. Boyette and his wife, the former Marjorie Reynolds, both '56 graduates, are now living in Dallas, Texas. Bill is assistant supervisor of Pacific Mutual Life Insurance Company.

Miss Eulava Joyce, a Fair Park High School biology teacher, was among a group of retiring teachers honored by the Caddo Parish School Board at its July meeting. Miss Joyce retired after 36 years of service in Caddo Parish.

Mr. and Mrs. Dallas Roper reside at Route 2, Box 196-G, West Monroe. He is a '58 graduate and she is a '54 graduate of NSC. Dallas is managing editor of the *Monroe Morning World* and Mrs. Roper is working for the Director of Admissions at Northeast State.

Mr. and Mrs. John Taylor Faith, '52 graduates, formerly of Winnfield and Campti, are teaching in Miami, Fla.

First Meeting of Foundation Board Held Aug. 3; Plans for Future Made

The first meeting of the Board of Directors of the Northwestern State College Foundation was held on the NSC campus Wednesday evening, Aug. 3.

Having been organized early in 1960, the Foundation filed its articles of incorporation with the Louisiana Secretary of State in May.

C. O. Holland of Minden is president of the eleven-member Board of Directors and presided at the meeting.

In opening the meeting, Holland stated that it was an honor to be charter members of the board and issued a challenge to the board to "work diligently to take advantage of the opportunity

to render service, not only to Northwestern but also to education in general."

NSC President John S. Kyser told the group that "financial problems of the College occupy most of my time and I am confident that this group will resolve many of the problems."

Members of the Board reviewed the functions of the Foundation, which are broadly outlined in the constitution as follows: to promote the educational and general welfare of Northwestern State College; to afford financial assistance to students, sponsor research and advanced study; to solicit, receive and administer contributions which will be employed toward the benefit of the College, its faculty, and its students; and to interpret the aims, objectives, and needs of the College.

At the meeting, action was taken to establish the business operations of the Foundation, and discussion of a fund raising program was held.

Members of the Board attending the meeting in addition to Holland included: Sidney Cook and Lesley Cowley, Shreveport; Erbon Wise, Sulphur; Jack Gamble, Baton Rouge; Roy Alford, Many; Harold Kaffic, Natchitoches; President Kyser; Dean of Administration Sylvan W. Nelken; and Alumni Secretary Joe W. Webb, all of Northwestern. Webb is serving as secretary.

Board member R. J. Stoker of Pleasant Hill was unable to attend because of a recent operation.

named to the L. S. U.-Alexandria faculty for the 1960-1961 session.

Mr. and Mrs. Rufus Walker, graduates of '36 and '37, visited the campus this summer and while here enrolled their daughter in college. Walker is director of agricultural research and development for the Nelson A. Rockefeller Farm at Valencia, Venezuela.

Dr. Boyd Woodard of Lake Charles, '35, was elected to the State Board of Education from the Seventh District. He is a former school teacher and principal.

William J. Dodd, a '34 graduate and former state auditor and Lt. Governor, was elected to the State Board of Education from the Baton Rouge district.

John Louis Miller, '57, is assistant professor of music at Linfield College in Oregon.
